

Canterbury Blokart Club Inc.

2022 AGM Presidents Report

Welcome to the 2022 Canterbury Blokart AGM, thank you for attending tonight.

I would like to start by thanking the committee...

- Terry Helm (Treasurer)
- Peter Kingsbury (Secretary)
- Michael Denton
- Alan Wylie
- Bernie McGillen
- John Guard

...for their professionalism in managing the club over the past year.

Membership – as of today we have 41 paid up members plus 6 Life Members. Whilst I'd like this number to be higher, I'm reassured by the fact that its holding steady year after year.

That said, I'd like for us all to be thinking about how we can introduce people to the sport, the starting point being people we know – bring a friend can be any Sunday.

Club Sailing days at Wigram – the weather has been fickle at times but we've still had some great sailing over the last year. Again, Covid caused disruptions but all in all we've got through it without too many lost days.

Competitions – This last year was a bit quieter on the competition front but we still had the South Island Open with the following results:

- Production Light Weights – 1st Justin Annan, 2nd Mitchell Denton
- Production Heavy Weights – 1st Jono Wood
- Performance Middle Weight – 1st Alex Morris
- Performance Heavy Weight – 1st Bob Jelley, 2nd Michael Denton, 3rd Terry Helm

Committee

As mentioned in a recent newsletter we need to bolster our committee.

Terry Helm is required to stand down under the Constitution having served 10 years continuous which means the Treasurers role is vacant.

In addition, the President typically serves 3 years and I've now completed 4 so we're also looking for a President.

This is a great opportunity for some new people to come on to the Committee and bring some fresh ideas to the table.

In closing

The club is in good shape with a solid core of members who take a genuine interest in its success.

I'd like to once again say thank you to the committee who have done a fantastic job over past 12 months.

Happy sailing.

David Tillman
President
